An innovative method for weight loss, skin lifting and cellulite elimination

NEW FORMULA

powerful active ingredients have an even stronger effect on slimming and cellulite elimination

SLIMING EFFECT

fast dissolution of fat deposits and slowing down the formation of new fat cells

FIRMING EFFECT

lifting, tightening and raising the skin tonus

PRESO & SAUNA EFFECT

the effect of lymphatic drainage and elimination of toxins from the body

BENEFITS

DRAINAGE EFFECT

elimination of excess fluid and toxins from the body

ANTI-CELLULITE EFFECT

acceleration of peripheral circulation leads to fast reduction of cellulite

CARBOXY EFFECT

quick fat burning and slower production of new fatty cells

Vacuslim 48 Anticellulite & Slimming method can be used as a stand alone treatment or as an addition for faster and better results in anti-cellulite treatments: mesoporation cosmetic device, cavitation, radio wave, electro stimulation, maderotherapy and manual anti-cellulite massage.

Active ingredients

SymFit - a revolutionary ingredient in anti-cellulite programs

Reduces the formation and reproduction of fatty cells (adipogenesis). Reduces and prevents the increase of fatty cells (lipogenesis). Increases fat burning and cleanses the body. Reduces visible signs of cellulite.

L-Carnitine

It promotes combustion of fatty acids, helps transport fat to mitochondria where it is converted into energy.

Rutinsulfate

Rutinsulfate is a useful ingredient for reducing cellulite and heavy legs feeling. This biflavonoid improves peripheral blood circulation, provides supplying nutrients to tissues and eliminates harmful substances from it.

Caffeine

A powerful antioxidant that breaks fat into deeper layers of skin, and at the same time improves microcirculation.

Thermolate - Smart warming effect

Accelerates circulation of blood and causes a pleasant warm feeling on the body. This feeling can last from 30 minutes to 2 hours.

Wild Chestnut Extract

Wild chestnut extract, escin, relieves the symptoms of tired and heavy legs and reduces swelling.

Ivy Extract (Hedera Helix)

It contains substances that effectively fight against cellulite and reduce the appearance of orange peel skin.

Algae Extract

Intensely hydrates and refreshes the skin.

Essential Oils Complex

Serums used for body care contain a complex of lemon, cinnamon, orange and rosemary essential oils, while creams contain a complex of bergamot, mint, lavender oils. These refresh and relax the skin, contributing to its better appearance.

Working protocol for VACUSLIM 48 professional treatment

- 1 MEASURING**
Measure a client using a scheme from working sheet and write down the values.
- 2 APPLY VACUSLIM 48 THERMO SERUM 1 - from the waist to the knees**
While a client is in standing position, apply SERUM 1. Always use gloves.
- 3 APPLY VACUSLIM 48 CREAM 2 - from the waist to the feet**
- 4 While client is in a standing position, put a VACUSLIM 48 Bag on them**
- 5 Put the elastic band right below the chest**
(5 cm up from belly button) and close the top part of the bag. Don't tighten a client with elastic band too much.
- 6 PUT A CLIENT IN LYING POSITON**
In bottom part of the bag, put the vaccum cleaner and pull the air out in order to create a vacuum. After that, close bottom part of the bag with a stripe.
- 7 LEAVE YOUR CLIENT FOR 30 MINUTES**
- 8 APPLY A 3-5 MINUTES MASSAGE WITH THE VACUSLIM 48 OIL 3**
- 9 MEASURE YOUR CLIENT**
- 10 SHARE YOUR RESULTS**
on Social Media with #vacuslim and #vacuslim48.

VACUSLIM 48 treatment for arms

Apply Serum 1, and right after that Cream 2. Close the top part of the bag with elastic band (after 3 minutes loosen up the bag). Pull out the air and close the bag to create a vacuum.
